# GREGBOD

THE WORKOUT APP

# What

A workout app dedicated to offering free exercise routines and diet plans, all designed to help you achieve your fitness goals with passion and determination.

# Why & Who

From beginners to advanced athletes,  
achieve their fitness goals with passion and  
determination, without any financial  
barriers.

# Problem

Many people face financial barriers to accessing quality fitness programs and diet plan which limits the ability to achieve fitness goals and maintain a healthy lifestyle.

# Solution

Provides free exercise routines and diet plans. Easy-to-follow workouts, diet plans, progress tracking, community support, blog etc.

# Audience

Anyone looking to improve their health and fitness, from beginners to advanced athletes despite the age, gender, fitness level or goals.
